

## Join us for ISM–NJ's Annual Supplier Engagement Night, 2025

An evening where small and diverse businesses connect with leading corporations to build relationships, explore opportunities, and create lasting economic impact.

### Panel Discussion:

#### Driving Economic Impact: Strategies for Diverse Supplier Success Across Industries

Hear from corporate leaders how successful partnerships are built through strategic relationship management and clear value articulation that drives mutual growth. Discover how small and diverse suppliers can leverage their unique strengths by remaining agile and competitive in today's demanding marketplace.

### Industry Roundtables:

Take part in focused 20-minute conversations with corporate representatives. Each roundtable will include 8 to 10 diverse suppliers before rotating to a new group, creating multiple opportunities to connect and share insights.

### How to Prepare:

- Bring business cards and a one-page capabilities statement
